## WORK EXPERIENCE

---

### Ironhack

July 2022 – Present

*Teaching Assistant*

*Remote*

- Assisting the Lead Teacher in making the course engaging and personal. May include creation of class activities, demonstrations, quizzes, One on Ones, or small teaching sessions on extra-curricular topics of interest; dependent on teacher and overall schedule. Most flexible and dynamic part of the job and the most rewarding.
- Manage and carry out day to day tasks to keep the course functioning. Marking of Labs, creating lab introductory and review sessions, checking solutions for accuracy and aspects to make note of to students, fine tuning grade rubrics, taking attendance etc.
- Monitor and keep track of students progress using metrics such as Lab performance, assessments, projects, interpersonal and class activities. Relate these thoughts during regular meetings with Program Managers to anticipate any future problems as well as to highlight students doing well.
- As the TA I generally have more direct one on one time with students and as such develop a rapport that I feel has been very important in developing confidence and drive in my students. Developing a student's Soft Skills is just as important to me as the curriculum itself.

### Freelance Client

June 2021 – Jan 2022

*Content Creation and Management*

*Remote*

- Manage and maintain public-facing accounts for Social Media Influencer
- Assist in creation or editing of video content.
- Handle business contact and enquiries.

### Business Owner

Jan 2015 – Jan 2021

*Online Sales*

*Remote*

- Managing small online purchase and sale business.
- Time management and self motivation were crucial in this line of solo work.

### Preston Harris Library

Sep 2014 – Jan 2015

*Assistant Librarian*

*Preston, UK*

- Assist in day to day running of the Library. Front desk, stock, family history.

## EDUCATION

---

### Edge Hill University

Sep, 2011 - Apr, 2014

*BA English*

*Ormskirk, UK*

- Certificate for acting as elected Course Student Representative during my 3rd year. Year Representative for the last 2 years of course. Module Representative for every module at least once by the end of the course.
